My Sunday Diary

17th May, 2026 (Sunday)

Windy

Today, I went to Ocean Park with my mum, my brother and my friends. First, we were at home. We packed our things and arrived at Ocean Park.

We played games in Ocean Park. That was fun! We took photos there too. We were tired.

Then, we went home. We ate pizza together and sang some songs. We felt excited.

I brushed my teeth and went to sleep. What a happy day!
