Sunny

Today was a good day. In the afternoon, my family and I went to Tsuen Wan.

First, we went to the Jumping Gym to play coin toss games. I won a doll and clamped another doll at the claw machine. We felt very happy.

After that, we went to claw for snacks. One hour later, we had clamped so many snacks. We felt great and had a lot of fun.

Finally, we had a Mother's Day dinner. I hope to come again next time.
