Sunday

rainy

I had a happy Sunday.

In the morning, Mum, dad, my brother and I ate yummy dumplings and drank sweet soya milk in a restaurant. Then, we went to the beach by bus.

In the afternoon, we were on the beach. My brother and I swam in the big and blue sea. We were very happy. Mum took photos with the orange sun. It was super beautiful. Mum and I went to the convenience store and bought many rice rolls and ice cream. We ate them all.

At night, we had a barbecue. Later, we went home by taxi.

I had an exciting day.
