

My Favourite Activity

2E (2) Cheng Hei Tung, Viki

My favourite activity is drawing. I usually do it with my mum and my friend Alice. I sometimes do it at four fifteen in the afternoon on Wednesday and nine ten in the morning on Sunday. I do it in Shek Mun Shopping Mall. I need some paper, pigment and marker pens. I like doing it because I can meet new friends, make the painting more beautiful and it is very interesting. I can see my friend's pictures too!
