

## My Favourite Subjects and Hobbies

Lam Hiu Yin, Bettina P.3A (4)

My name is Bettina. I would like to share about my favourite subjects and hobbies. My favourite subject is PE because I am good at running and playing ball games. I also like Computer Studies because I am good at playing Roblox.

In my free time, I like watching TV at home with my mother. I also like doing homework at school with my classmates. I feel happy.
