Jacky

## My Favourite Subjects and Hobbies

My name is Jacky. I would like to share about my favourite subjects and hobbies. My favourite subject is English because I am good at speaking English. I also like Maths because I am good at doing sums.

In my free time, I play Lego bricks by myself at home. I built an International Space Station (ISS) and a space shuttle in big form of normal Lego pack size version (with Lego bricks). I also like doing puzzles with my mom at home.

The puzzle I have is Vincent van Gogh's "Starry Night" puzzle, I feel smart because puzzles are fun!
