Sunday

Sunny

Yesterday was Sunday. It was Mother's Day. I had a good Sunday because it was a happy day with my mum.

I gave my mum a gift. She was happy about that. She loved it a lot. She gave me a happy smile.

Then she took me to a park. It was nice. I played hide-and-seek. It was fun. We also played badminton. It was so fun and exciting.

We had a joyful day.
