My Favourite Subjects and Hobbies

My name is Helen. I would like to share about my favourite subjects and hobbies. My favourite subject is Visual Arts. I am good at drawing flowers and cute animals in class and my teacher often praises my work. I also like Maths because I am good at solving problems. It makes me feel smart when I solve difficult questions.

In my free time, I like to build different models with Lego bricks. I also read storybooks. It makes me feel relaxed.
