

My Favourite Subjects and Hobbies

3D (2) Chan Chun Yan, Michael

My name is Michael. I would like to share about my favourite subjects and hobbies.

My favourite subject is PE because I am good at sports. I also like Visual Arts because I am good at making crafts.

In my free time, I like doing Martial Arts. I do it on Saturdays with my schoolmates at school. I need to wear PE uniform. I go to school on foot. I am excited. I also like singing. I learn singing at school with choir on Tuesdays. I need music notes. I go to the music room on foot. I feel happy.
