

# My Sunday Diary

By P.3D (6) Hakim Hina

Sunday, 4th May

sunny

In the morning, I went to Ocean Park with Mum and Dad. We went there by MTR. We watched the animals first, then we tried the rides. The rides were exciting.

In the afternoon, we went to the aquarium and watched the dolphin show.

In the evening, we saw the jellyfish swimming in the Sea Jelly Spectacular. They were pretty.

I felt happy. I hope I can go there next time.
