

My Favourite Subjects and Hobbies

3E (16) Ng Hei Man, Heyley

My name is Heyley. I would like to share about my favourite subjects and hobbies. My favourite subject is Maths because I am good at doing sums. I also like General Studies because I am good at doing General Studies homework.

In my free time, I like playing badminton and playing the piano. I like playing the piano by myself at home because it is so relaxing! I like playing badminton in the badminton court with my mum because playing badminton makes me happy.
