

My Sunday Diary

11th May Sunday sunny

In the morning Chung Heung Ching, Twinkie (4) 3E

In the morning, I went to the supermarket with my family. We bought some flowers, a cake and a pizza. Then we went to the zoo. We watched the animals. There were many animals. We watched monkeys, horses and lions. We felt interested.

In the evening, we played games and watched TV together. The games were very funny. We felt happy but tired. What a funny day!
