

A Day at Funland

One month ago, Lucas with his cat got off the Fun Bus at Funland.

First, Lucas met a little boy with a jar of candies on the road. When Lucas saw the candies, he thought the candies were sweet, so Lucas asked the boy, “Can I get a candy?” “Yes, you can,” the little boy said and gave a candy to him. Lucas was

jolly.

Then, Lucas met a clown with a birthday present at the souvenir shop. The clown told Lucas a joke. Lucas laughed loudly.

After that, Lucas met a man with a giant parrot at the lift. He felt surprised. He asked, “Can I touch the parrot?” The man replied,

“No, you can’t.” Yet, Lucas was naughty. He touched the giant parrot secretly. Suddenly, the parrot attacked him. Lucas was hurt.

After the long day, Lucas was tired, so he took the bus home and slept soundly.
