

A Day at Shenzhen Happy Valley

Few months ago, Masa got off the Fun Bus at Shenzhen Happy Valley.

First, Masa met Lora with her cat in a circus. Her cat was jumping through the fire hoops. Masa asked, “Why the cat can jump through them?” Lora said, “Because I trained my cat to do the trick!” Masa felt surprised.

Next, Masa met Ligo with his two bananas at the picnic lawn. He was thrilled. Masa asked, “Why are you so delighted?” Ligo said, “Because my friend gave me a ticket to this place!” Masa was pleased.

Then, Masa met James with his dog at the fountain. He was doing backflips. He was

excited. Masa asked, “ Can you teach me how to backflip?” James said, “I’m sorry, it is difficult and dangerous. I can’t teach you.” Masa was disappointed.

Finally, Masa took the Fun Bus home. Masa felt wonderful.
