

A Day at Funland

Today, Allecy took her favourite cat and got off the Fun Bus at Bubble Kingdom.

When Allecy with the cat was on Bubble Road, they saw a rat with a microphone. It was having a concert on an enormous bubble sofa. The crowd was very loud. Allecy shouted, “Can my cat dance with you?” The rat nodded, so the cat sang with it. Allecy was shocked.

Next, they met a fortune teller in the bubble tent. There were so many bubbles! The fortune teller read their fortunes in a crystal ball. She said, “You’ll have a gift from someone later.” Soon, Allecy got a cake from a policeman! She was joyful.

After that, they went to Bubble Supermarket. They met a sales. He shouted and shouted, “Syper magic product! Come and buy!” Allecy was convinced, so she bought two pairs of shoes. She put them on and flew up high! Her cat flew too. She felt surprised.

At last, Allecy and her cat took the Fun Bus home. Allecy felt amazing because it was a wonderful day.
