

A Day at Funland

Written and illustrated by Mak Yin Hei, Olivia Class: 4B

Yesterday, Olivia went to Funland with her cute cat by LBC bus.

First, she met an unicorn with Little Fairy at Funland's entrance. Olivia said, "Wow! I've never seen a real unicorn before. Your horn is so shiny! Do you like eating cotton candy at Funland?" Unicorn said, "Thank you, Olivia! It glows when I'm happy. Actually, I prefer sparkling apples, but the pink clouds here look delicious!" Little Fairy said, "I tried a popcorn kernel once, but it was as big as my head!" Olivia felt surprised.

Next, Olivia met Turtle and Mermaid at the Ocean Theatre. Olivia said, "Mermaid, is that a real pearl in your hair?" Mermaid said, "I found it in a sunken treasure chest near the Ferris wheel pond." Turtle said, "" I helped her find it!" Olivia felt happy.

Then, Olivia met Dragon and Panda at Panda Village. Olivia said, "Is it a Kung Fu lesson? I don't know that dragons can do

martial arts!” Panda said, “Kung Fu isn’t just about strength, it’s about balance.” Dragon said, “Should I use my wings for balance?” Olivia said to Dragon, “You’re great!” She felt funny.

After a long day, Olivia took the LBC bus and went home. She was excited and pleased. She had a good day.
