Last Sunday, Ashley and her friend got off the Fun Bus at Funland.

First, Lisa met Felix with some balloons at the entrance. "There's a balloon for you!" said Felix. "Thanks!" said Ashley and her friend. Ashley was overjoyed.

Then, Ashley met a few fairies with a basket of flowers at the pond. "Welcome to the pond. Let's go fishing," said the fairies. "Yes! I do," replied Ashley and her friend. Ashley felt excited because she got a big fish.

After that, Ashley met Twinkie with a birthday present at the Panda Village. "What a lovely panda!" said Twinkie. "It is lovely," said Ashley.

In the end, Ashley went back home by Fun Bus. "Today is a wonderful day!" said Ashley.
