Yesterday, Iris got off the Fun Bus with
Purple at Funland.

First, Iris and Purple met a clown with plenty of cute balloons at the entrance. The clown gave Iris a balloon and said, "Welcome to Funland! Here's a balloon for you!" "Thanks!" said Iris. She felt excited.

Then, they met Rose with her bike at the pond. She saw Iris and said, "Hi! You must be Iris. I heard that you are a big fan of Blackpink! Do you want to sing and dance with me?" Iris answered. Rose enjoyed her song and dance. Iris was on cloud nine.

After that, they met Mr Bigelow with a huge bottle of water. They shared the water because it was too hot. They felt overjoyed because the water was cool.

In the end, Iris got on the Fun Bus with Rose. Everyone on the Fun Bus felt jolly.
