

A Day at Starland

Last Sunday, Lily with a fox got off the bus at Starland.

First, Lily met Jax with a bear at Starland. He shouted, "Look everyone! This is my friend!" and then he ran away.

Next, Lily met a man with a capybara at the café. The man started to clap his hands with the capybara. Then he said, "Hey little girl. Do you want to pet my capybara?" Lily said, "No." calmly and left the café.

After that, Lily met a child with a kite at the aquarium. The child was singing and dancing with the kite. She said to Lily, "Hello miss. Do you want to join me?" Lily said, "No. Thank you." Friendly and calmly at the same time and left the aquarium.

After a long day, Lily took the Starry Bus home because she was sleepy. She had a great day at Starland.
