

A Day at Fun Land

Last Sunday, Chloe with a dog got off the bus at Fun Land.

First, Chloe met a clown with a dog at the zoo. He showed Chloe the dog, said, "Look! This is my friend!" Chloe was shocked. She ran away.

Next, Chloe met the boy with a goose on his shoulder at the food court. The boy danced with his goose. He said to Chloe, "Do you want to touch my goose?" Chloe was scared, she said, "No, thank you." Then, she left the place.

After that, Chloe met a girl with a capybara at the pond. The girl was clapping hands with her capybara. She said to Chloe, "This is my capybara. Isn't it smart?" Chloe said, "Yes, it is." She played with them for a while. Then, she left the place.

After a long day, Chloe took the Fun Bus home because she was sleepy. She had a great day at Fun Land.
