

A Day at Funland

Last Sunday, I got off the bus at Funland with my mother.

First, I and my mother went to the food court. I and my mother saw a security guard. He was eating chocolate. The security guard said, “ I’m eating delicious chocolate. I have some here. Do you want some?”

Then, I and my mother went to a panda village. I and my mother saw Mr Bigelow. He had a dog with him. Mr Bigelow said ,” Isn’t my dog cute?” “Yes, he is cute,” I said.

After that, I and my mother went to an Ocean Theatre. I and my mother saw a clown. He had a parrot with him. The clown said, “ I’m ready to perform. You can watch me.” “No, we are ready to leave,” I said.

It’s time for my mom and I go home. I was tired and hungry. Today was a really happy day.
