

## Missing Pet

Bob the raccoon is missing! Bob is my pet raccoon. I lost him in the dumpster in Tung Chung Park last week.

When I took him for a walk, I bought some ice cream, and then I found out he wasn't on his leash.

Bob is ten weeks old. He is big and fat, and he eats everything. He is fluffy and likes hunting birds, sleeping, and eating.

If you see him, please call 1111 2222.
