The Trip after the Bus Ride

Last Sunday, Durian was on the Fun Bus. She was going to have a long adventure day.

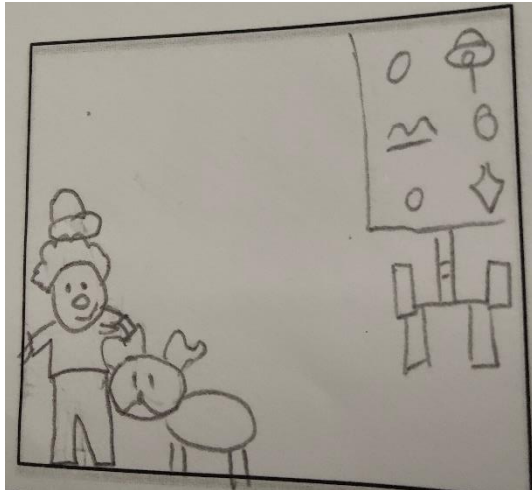

First, Durian met a police officer. The police officer brought a yellow bike. Durian said, 'Let's dance with the bike.' The police officer sat on the bike and jumped up and down and spined around with Durian. Durian was dizzy and tired.

Next, Durian met a clown with a creepy basket. The clown took a birthday present in the basket. The clown said, 'Magic show time, abracadabra!' The present popped to Durian. Durian was excited.

Then, Durian met Mr Bigelow. He was carrying a heavy black box. Mr Bigelow suddenly yelled to the box, 'Make a super loud bark.' There was a dog in the box! The dog made a bark to Durian. Durian was amazed.

Durian had a long adventure day. He was scared but delighted.
