The Trip after the Bus Ride

On an Easter day, Jello jumped on the Fun Bus at the swimming pool. He was going to have a long adventure day.

First, Jello met a police officer. The police officer brought a huge bile in a plastic bag. Jello said 'get out!' The police officer jumped onto Jello. Jello felt great.

Next, Jello met a don on the street. The dog brought a big hat in a box. Jello said 'get out!' The dog made a crazy bark. Jello was excited.

Then, Jello met a cheeky monkey. The monkey brought a damaged school bag in a broken cage. Jello said 'ewww... get out!' The monkey danced on Jello's head. Jello was annoyed but proud.

Jello had a long adventure day. He was sleepy but joyful.
