

A Day at Downstairs of My House

4E (2) Chan Mei Ki, Miki

Last Sunday, I walked downstairs of my house.

First, I saw Miss Chan. Miss Chan went to the park to have BBQ. I asked, "Is the BBQ food delicious?" Miss Chan said, "Yes, it is so

delicious. Do you want to try some?" I said, "Yes, I want to try some." Miss Chan then gave me the food.

Then, I went to a flower shop. I saw a baby drank milk. I said, "The baby is so cute." The baby's mom said, "Thank you." The baby was a happy baby.

Next, I went to a boutique. I saw Winnie ate potato chips. "Hello, Winnie! Why are you eating the potato chips here?" Winnie smiled and talked to me nice, "This is my mom's shop."

I was so happy because I saw many friends.
