

A Day at Funland

4E (18) Lo Wai Moon

Last Sunday, I went to Funland.

First, I saw a baby near the entrance. The baby was with a doll.

The baby was on the bench. I said, "The baby is so cute." The mother of the baby said, "Thank you."

Next, I wanted to go to the toilet. I met Davy near the park. He brought BBQ pork rice and ate it in the park. I asked, "Was it yummy?" But Davy still felt hungry.

Then I saw my mother. She took out the key and went home. She said, "Go home carefully."

I was happy today because I saw them.
