

Pom Pom Is Missing

Pom Pom is my cat. I lost him in the alley at the doorstep on the 18th October, 2025.

Pom Pom is 12 years old. He is cute and fluffy. He is grey and white. He is big. He has big eyes. He has fragile mind and a long tail. He has been sick for many times. He does not like and is not used to people approaching him.

I love Pom Pom. If you see him, please call 9453152 or 92488360.
