Dear David,

Thank you for your email. There are many attractions you can visit in Hong Kong. You can join a 3-day local tour in Hong Kong. Here is my suggestion:

During the local tour, you will visit the Avenue of Stars in the evening on 23<sup>rd</sup> December. It is in Tsim Sha Tsui. You can go there by MTR from Tung Chung. It takes about fifty minutes. You can find the celebrity handprints and information about the city's movie history. You can also stroll along the promenade and statues like the Bruce Lee statue. You will feel excited because you can learn more about Bruce Lee and take some amazing photos there.

Second, you will visit Tai O in the morning on 24<sup>th</sup> December. It is on Lantau Island. You can go there by bus from Tung Chung. It takes about thirty minutes. You can see the pink dolphins and traditional stilt houses. You can also buy dried seafood and explore the historical fishing village by visiting the Market Street. You will have lots of fun because you can see the pink dolphins and you will feel impressed because you can try the scrumptious famous curry fish balls.

Third, you will visit Hong Kong Disneyland in the afternoon on 25<sup>th</sup> December. It is on Lantau Island. You can go there by MTR from Tung Chung. It takes about thirty minutes. You can watch the parade and firework display. You can also ride on the roller coaster and watch the dolphin show. You will feel amazed because the rides are exciting and the show is wonderful.

I am looking forward to seeing you in Hong Kong.

Love,  
Venus
