Dear David,

Thank you for your letter. There are many attractions you can visit in Hong Kong. You can join a 3-day local tour in Hong Kong. Here is my suggestion:

During the tour, you will visit Hong Kong Disneyland in the morning on 23rd December. It is on Lantau Island. You can ride on Big Grizzly Mountain Runaway Mine Cars and take photos with the characters. You will see the Friendship Fountain and the Castle of Magical Dreams. You can go there by MTR. It takes about 47 minutes. You will feel excited because the rides are stimulating.

Second, you will visit Hong Kong Space Museum in the afternoon on 24th December. It is in Tsim Sha Tsui. You can play Moon Mars VR and watch immersive shows. You will see Zhurong's Mars Exploration and Golden Eye on the Cosmos-James Webb Space Telescope. You can go there by MTR. It takes about one hour. You will feel interested because you can experience a rocket launch.

Third, you will visit Cheung Chau in the morning on 25th December. It is in Island District. You can take photos with the scenery and eat seafood. You will see rock carvings and Cheung Po Tsai Cave. You can go there by ferry, MTR and bus. It takes about two hours and three minutes. You will feel relaxed because it is very peaceful at the beach.

I am looking forward to seeing you in Hong Kong!

Love,
Charlotte
