Dear David,

Thank you for your letter. There are many attractions you can visit in Hong Kong. You can join a 3-day local tour in Hong Kong. Here is my suggestion:

During the tour, you will visit The Peak in the morning on 23rd December. It is in the middle of Central. You can see beautiful views and Ngong Ping 360. You can visit attractions and go hiking. You can go there by The Peak Tram. It takes about ten minutes. You will feel comfortable because the cool and fresh mountain air beats the stuffy heat in the downtown area.

Second, you will visit Hong Kong Wetland Park in the afternoon on 24th December. It is in Ting Shui Wai. You can see some animals and plants. You can watch animals and plants and visit exhibitions. You can go there by MTR. It takes about forty minutes. You will feel interested because you can encounter special animals and plants.

Third, you will visit Hong Kong Disneyland in the evening on 25th December. It is in Islands District. You can see Castle of Magical and Frozen Ever After. You can play on amusement rides and take photos with cartoon characters. You can go there by Resort Hotel Shuttles from the Airport. It takes about fifteen minutes. You will feel excited because you can play a lot of mobile games.

I am looking forward to seeing you in Hong Kong!

Yours,

Lisa
