

My Dream Job

5E 19 Tse Pak Sum, Paxon

When I grow up, I want to be a content creator. It is because I think it is fun and interesting. I am pretty good at editing and making videos. I am also very creative and hard working. I don't need to dress up or anything. I just need to wear the clothes I usually wear. I will make people's day better. I should finish school then focus on making videos to get my dream job. I think making videos is really fun.
