

My Bad Day

P. 6A Lu Wing Hon, Marcus (12)

Last Friday was a bad day for me. I ate many chips and watched cartoons, so I slept at 1:00 a.m.

At 7:00 a.m., I woke up. After I woke up, my throat hurt, so I thought I had a sore throat. However, I had a speaking exam, so I felt a little nervous.

After I got to school, I was scared. Then my teacher came, I prayed that I would not get called by my teacher. However, my teacher called me first. I came out and felt very nervous. When I was having the exam, my teacher suddenly asked me, 'Why don't you speak a lot?' 'It's...because I..... ate too many chips.....' I answered softly.

'OK, but you need to have your speaking exam on Monday instead,' my teacher said. 'Oh well, I would not eat the food that would easily cause me a cough.' I said. 'OK, let's continue the exam next time,' my teacher said.

Today was my real speaking exam, my teacher said that I got 97 marks! I felt very happy. I was glad that I did not eat chips before the exam again.
