## Volunteer Club holding a fund-raising fair

The Volunteer Club is going to hold a fund-raising fair to raise funds for The Salvation Army. It is a charity which provides disaster relief, education and social services. The fund-raising fair will take place on 30<sup>th</sup> July, 2025 in the school hall.

## Volunteer Club looking for volunteers

We would like the volunteers to make posters for the fund-raising fair, help the students hold the booth games and design booth games. We need students who are good at drawing pictures. We also need students who are good at designing games. We need volunteers because we don't have enough people to hold the booth games. If every student helps in the event, volunteers won't be tired because they will have less work. Please sign up to be a volunteer.
