

My Bad Day

By 6D 7 Huang Sze Yu, Hailey

Last Thursday, I watched my favourite cartoon. I ate some yummy chips and stayed up late. I slept at around one o'clock because I was free! My sister was asleep and my mum and dad were not at home.

The next day, I didn't feel well. I've got a sore throat and a cold. I felt tired and scared because I had an oral examination in the English Lesson.

During the lesson. I was scared because I was the first student to take the exam. I spoke softly because of my sore throat. My teacher Miss Huang said, 'Why do you speak so softly? Do you have a cold?' I replied, 'Yes... Yes, I... I have a sore throat too.'

At the end, Miss Huang told me to drink more water and she gave me a chance to retake the oral examination. I will not stay up late before my examination again.
