Earthquake Victims in Tokyo Japan need help!

On 27th October, 2025, a terrible earthquake and a tsunami happened in Tokyo and caused great damage. A wave of panic swept through Japan. Many people were injured. Many people were died. Many buildings collapsed. The victims do not have a place to stay or have clothes or food.

Volunteer Club holding a flag day

The Volunteer Club is going to hold a flag day for the SPCC. It is a charity which helps people in need. The event will take place on 2nd November, 2025 in Tung Chung City Gate Outlets.

Volunteer Club looking for volunteers

The Volunteers Club wants the volunteers to make posters for the flag day and help sell flags on that day. If every student helps in the event, we could get enough money to help the victims.

Please sign up to be a volunteer.
